Comments: With Galen's sudden passing, the ranch has been sold and all the personal property will be offered for public live bid auction. The Sherman Ranch had been in the family for 3 generations. It was a very large cattle operation, so there is lots of good usable machinery, Hay equipment, tools and vehicles. Mark **June 10th** down on your calendar. This is one auction you won't want to miss. There will be something here for everyone. **All items must be removed by June 30, 2023** as the ranch has been sold, no exceptions!!!!!!

Terms: Major credit cards with 4% fee, as long as cell service is available. Cash or cashable check. **If you plan on purchasing over \$10,000 a letter of credit is required.** We expect settlement that day. Not responsible for accidents. Be prepared to show driver's license to receive bidder number. Announcements made day of sale take precedence of anything written or implied. All items are sold as is, where is, no warranty!
